#### STATEMENT OF REASONS FOR ALLOWANCE

6      The following is an examiner's statement of reasons for allowance:

The Obviousness rejection of the claims over Laurent et al. (US 2002/0046431 A1) in view of Jacquet et al. (US 4,381,919) is rendered moot because the " consisting of "language of the amended claims, excludes the cationic amphiphilic polymers of Laurent et al. and also excludes the quaternized polymers of Jacquet et al. Accordingly, the claimed subject matter as a whole would not have been obvious to one having ordinary skill in the art of keratin fibers lustrous dyeing formulation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
